***Congratulations on choosing a MRCOOL® HVAC system -
an investment in comfort and energy efficiency!***

Now, take the next step to protect that investment with the **MRCOOL® CARE✓ PROGRAM**

This MRCOOL Care Program extended service agreement offers exclusive extended protection, giving you peace of mind and ensuring that your system stays in peak condition for years to come.

Enroll in the MRCOOL® Care Program for more than just a yearly maintenance kit – gain true peace of mind. As long as you're enrolled, your system is covered by our Extended Lifetime Replacement. In other words, if the compressor fails, you'll get more than just a replacement part. If the failure occurs within the standard warranty period, we'll replace the entire outdoor unit. Additionally, as long as you remain

enrolled after the standard compressor warranty expires, we'll send you a complete new system.* Simple. Reliable. Worry-free comfort, year after year.

The **MRCOOL® Care Program** is designed to help you keep your system at its best, every day, with tools for easy upkeep and optimal performance.

**Unlock lasting comfort and
peace of mind by enrolling in
